CHANGING DAY OR TEACHER? RELAX!

Transition into all groups is supported by Julie L at the beginning of term. We'll work closely with you staying for parts of the lesson until your Level 2/ 3 child is settled in.

Parents please note: children pair their joy in our musical activities with the teachers' names – when in fact, it's the experiences we provide that is the magic.

They're always surprised when other teachers 'Know that song' and within 3 weeks, your child will constantly talk about their new teacher...lucky we've grown thick skins! 😊

Level 3 Kinder/Year 1: Build your Kinder child's confidence by attending our specially crafted Term 1 Level 3 Transition Program.

We've been teaching a long time and know how to ease into starting school!

Kinder teachers have been sending their own school beginners to us for years! They love how our program reinforces language and number patterns but contrasts so much with the school day, as we play lively movement games, experiment with instruments and relax with 'cool down' mindfulness.

We teach for fun and success, building their confidence socially, and learning songs and games so they'll feel confident in music, and the Kinder classroom, for the rest of the year.

With the benefit of hindsight over the years, it really does make all the difference to your child's confidence to start with everyone else in Term 1.

New Students in Year 1, 2 or 3: need to be matched to the best class for their skill level.

Song Crew Singers: JLM Level 4 & 5's are invited (save \$34) New singers aged 8+ welcome. Community performances throughout the year, + Gala Concert MC's

Just like the continuous sequencing required for learning Maths and Reading, our music program builds confident skills with consistent attendance.

It's not rote learning, so it's not possible to 'catch up at home'. We will assess super keen late starters for Level 3 or Level 4 with the addition of Extra Individual tuition as needed.
